## SECOND STORY COMMUNITY OUTREACH THANKSGIVING BAGS

This year, Holy Cross is partnering with Second Story to provide Thanksgiving meals to families of the youth attending their community-based programs—families that Second Story staff have noticed do not have access to adequate food. Second Story is holding a food drive with the goal of collecting and distributing food to 500 families.

Please note that each returned bag should contain **enough food to feed 6 people**.

The following items should be included:

- Box pasta or box mac and cheese (family of 6 will probably need 2 boxes)
- Cooking oil
- Dry black beans
- Rice
- Two types of canned vegetables (For example, 2 cans peas and 2 cans carrots)
- Canned fruit for dessert or box of dessert mix. (box mix can be cake, brownies, or similar.)
- Shelf-stable milk (such as Parmalat)
- Maseca Flour (or similar)
- Reusable shopping bag for items.
- \$20-25 gift card to Giant or Safeway (\$25 cards available through gift card program)

The filled bags may be returned to the church on **November 8 or 15** between 10 a.m. and 3 p.m. or by appointment by contacting Maude Hales at [maude.hales@holycrossepiscopal.org](mailto:maude.hales@holycrossepiscopal.org).

Thank you for helping to ensure that the youth in Second Story programs and their families have a Thanksgiving meal!
